MAIN FESTIVAL SITE

The "hub" of Bloomin' Days will be Downtown at 6th Avenue between 54th & 55th Streets. All activities will take place between 11am and 7pm, unless otherwise noted.

Activities

The service assigns a specific number to an owner's bike, which is then entered into the KPD database with the owner's contact information. The database can then help in the recovery efforts if your bicycle is ever lost or stolen.

- 3:00pm - [The Real Deal featuring Staja](#)

The Real Deal is somewhat of a Kenosha institute. They've garnered a strong following and play at some of the area's most premier establishments. Monday Night Open Jams hosted by the Real Deal have become a Kenosha tradition. Their blend of blues, jazz, funk, R&B, & rock excites crowds everywhere they play. "I promise if you go see these guys live, it's a show you will not see any place else. These guys fill a void that other bands can't." - The Jon Hemmer Show (WKRS - Waukegan)
