You may use your transfer pass to ride a
streetcar. Transfers are good only on day of
issue and only until time shown.

Super Saturdays
\$2.00 unlimited transportation every Saturday
on all buses and streetcars.

ROUTE MAP AND SCHEDULE

Effective April 2009

Take a ride into history. Climb aboard our beautifully restored electric streetcars.

From 1903 to 1932 electric rail was a regular mode of transportation in Kenosha. On June 17, 2000, Kenosha welcomed home these quiet, pollution-free vehicles to its beautiful lakefront.

Kenosha's streetcars are authentic 1951 President's Conference Committee (PCC) cars. The current five-car fleet formerly operated in Toronto, Ontario before being refurbished and relocated to Kenosha.

The current streetcars provide mobility to residents and tourists alike along its two-mile route. Whether it's a convenient ride to work or a scenic tour of the Lake Michigan shoreline, our streetcars will have you yearning for the days of yesteryear. So climb aboard and enjoy your ride!
